

Budget for the month of:

- Complete all fields that apply.
- Track your monthly expenses for at least two months with this worksheet to see where you are spending your money.
- Fields with an * are not monthly bills but expenses likely to occur throughout the year. Budget and save a set amount for each that might apply to you so you have the extra money to pay these bills.
- If your budget is tight, skimp on entertainment, eating out, vacation, etc. Do not skimp on your personal savings account, except as a last resort.
- If you are having trouble, consider making an appointment with a credit counselor. Bring this worksheet so the counselor can see where your money is going.
